Thresholds: Navigating The Difficult Transitions Of Life (2 Disk Audio CD)

Synopsis

On this 2-CD set, poet David Whyte talks about the difficult transitions that are part of every human life, when we are orphaned from the homes we have carefully constructed and must learn to inhabit the world in a new way. These transitions can be understood as opportunities to engage in a deeper conversation; one that allows us to catch up with the part of ourselves that is already standing on a new frontier.

Customer Reviews

after listening to my first audio recording of David Whyte's poetry and philosophical musings I became obsessed with getting them all. They have become a part of my daily ritual.

Love this cd set. Great poetry read by the writer with the back story, Irish tales, life philosophy and laughter all rolled into one.

Always Stunning
