## Customer Reviews

Julia Busch has done an outstanding job with the retro comic Young David's Faith, originally published in 1956. The reader will find the new version of Young David Faith has been re-colored and the text formatted for today's eReaders and an enjoyable experience.

I am Julia Busch's biggest fan and I really enjoy the retro-comics that she is sharing with us. When I saw this book, I thought this would be the story of David and Goliath, but no, this is the story of David as a shepherd and how he protects the sheep from predators. This is a great story to share with your children or grandchildren and show them how comics used to look back in the golden years.

Retro comics on a new Kindle HD are fun, fantastic and easy to read. I got the larger Kindle, and this looks fantastic. The story is classic about a young David from the biblical stories, and the drawings are old school. Thoroughly enjoyed it. Would recommend it to anybody who loves a classic, good yarn.
