Rediscovering The Kingdom, Vol. 3

Synopsis

As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about. Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue-the Kingdom of God. In this book you will discover:

- The keys that make the Kingdom function in your life.
- Why religion cannot solve your problems.
- Why governments and world leaders continue to fail us.
- Why religion can never fulfill your deepest desire.
- Why power is the pursuit of all mankind.
- The present and future reality of the Kingdom among us.
- The original message and purpose of Jesus.

Dr. Myles Munroe (b. 1954) is the president and founder of the Bahamas Faith Ministries International (BFMI) and Myles Munroe International (MMI), a Christian growth and resource center that includes leadership training institutes, a missions agency, a publishing company, a television network, radio and Web communications, and a church community. He is chief executive officer and chairman of the board of the International Third World Leaders Association and president of the International Leadership Training Institute. He is the author of 23 books. Today, Dr. Munroe is a pastor, teacher, administrator, author and motivational speaker. He travels throughout the world as a speaker addressing governments leaders, businesses, schools/universities and church congregations. He personally addresses over 500,000 people each year on personal and professional development, and he receives hundreds of invitations every year to speak worldwide. Dr. Munroe has appeared on Benny Hinn's This Is Your Day program, where he spoke about the Kingdom of God. Dr. Munroe places an emphasis on the Kingdom of God and believes that the whole Bible, along with the message of Jesus, revolved around the kingdom and not a religion.
