Little Songs For Language Arts CD

Synopsis

These songs were written to help children learn phonemic awareness, reading skills, and seasonal themes. Additionally there are songs that support concepts of print, such as identifying letters, numbers, sentences, and parts of a story. The balance of the songs go along with our "Singable Books To Make and Read," such as "Our School Farm" and "The Zoo Song" The lyrics from each song form the text that kids can make, read, sing, and keep! Complete masters, pictures, and detailed instructions are included in the CD-Rom, "Printable Projects For Language Arts," and are also available as individual downloads. Concepts covered are: Letters and Words, What's a Sentence?, Brother Starts the Same as Bop (Words that begin the same), Sound It Out, Touchdown Without Touch (Syllable Deletion), Syllable Counting, Parts of a Story, The Rhyme Song*, Just Read It*, The Shapes Song*, Our School Farm*, The Halloween Song*, Dinner's Ready* (Thanksgiving theme), Christmas Countdown 20-10*, Let's Build a Snowman*, Look Out, Fishies!*, Addition Doubles (Dinosaur theme)*, The Zoo Book*, Summer, Winter, Spring, Fall (*All seasons make one book) *Indicates Singable Book. PLEASE NOTE: These songs are intentionally short to fit the attention span of the average 3-6 year old child! (Many songs are less than one minute long.) They are written to get straight to point, state it in a way that is simple enough for young children to remember, and then move on to the next lesson. That way, if your child's attention span is only five minutes, he or she should be able to learn the concepts presented in 6-8 songs in just one sitting. With repeated play, children should be able to learn ALL of the concepts in the songs quite quickly!
