Customer Reviews

Ms. Graham delivered a great tour-de-force for ESOL students to practice grammar in chants and songs. Highly interactive, based on familiar conversation patterns, the chants help to organically drill various grammar points of English. Students and teachers love it. I have been using it for 15 years. Recommended for beg-advanced levels.

This is at the same time simple and exciting. I just love it, and it helps to learn english for adults too.
