I liked this book. Noobs wouldn't get one laugh out of it, but experienced people who can have a diamond sword in two days, like me, would think it hysterically funny. has gotten rid of four non-Minecraft books and added this, dog memes, diary of a little enderman, and a Zeke the Chicken

Jockey book.

This is one of the most hilarious Diary of a wimpy noob books ever! I like how he fell off the mountain and though he would never find his house again, only to find out that he spawned right by his bed! I also think his first encounter with a creeper, HILARIOUS! Keep up the great work!

I notice that every time I get to the Diary of an Unlucky Steve, in older books, I almost mistake the cover you put for it as a diary of a wimpy steve cover, whereas in the newer books, it is different. Why is that, and which cover is it? -infourai17 (P.S. Don't message me)

this book is amazing so if you like CN this is a great book for you i go crazy

I think this is such a good book and you NEED to read it! If you don't you're missing out on a lot. This is the Key to life people!!! :) Steve is such a noob in minecraft and does not know anything and tries ridiculous things.!!! -Ivy

I could not put down this book! This is one of my favorite Minecraft series in kindle unlimited. My advice to the readers of this book, read it when you have a lot of free time cuz you will not be able to put it down!! ;) :) (: ;

The first part was funny because he just found himself inside Minecraft. The rest was really creepy, especially when they went through the End Portal. I really enjoyed this book and want to see what happens in the next book.

To.Stinkin.FUNNY!!! Too much great content, no typos, amazing prices, and no end in sight! Except for the one in the book, which was brilliant BTW Spark signing off.
