OK, first of all the thing i noticed was the swords. Like in the wimpy villager series, notch and herobrine had swords that are more op than diamond. my question is, did you plan that, or was it the other author's idea? WHAT U CAN DO TO MAKE IT BETTER: the story line was a little crooked but it was ok. We need more wordy, like give us more descriptonal words. Pls have more back stories and mystery. whats most important is that you give us a good story and we enjoy it and we can give you advice. we all love your books TO LITERAL DEATH and i'll comment back in the new book. Keep writing!-Nikki

do you know the series diary of steve the noob? Just recently Alex has been added into the book, and since Alex doesn't like steve, Steve gave Alex the nickname Angrey Alex. What if Alex is achuly angry alex from your books and you and steve the noob wrote a book together and combined the two books ples notice my Idea and try to get it to work, I will tell steve the noob about the Idea also.

I loved this book and I'm waiting for the sequel. I love all Crafty Nicole books but this one is just... super! This book was great and you have GOT to do a sequel. Will Spike defeat the the architect of fate? Will he, Sara and the others lose their powers after or before the fight? WILL they lose their powers? Hope my questions are answered shortly in another book; minecraft superheroes: book 2
