## Customer Reviews

Fall is one volume in a delightful, preschooler-friendly tribute to the seasons. As the book opens, a child awakens and says, "I know it's fall when...I hear leaves rustling outside my window...calling me to come and play." Enthusiastic, rosy-cheeked youngsters don sweaters and gleefully partake of autumn activities: finding acorns, kicking leaves, picking blackberries and other seasonal goodies, jumping in the mud, and making and sharing treats with friends. Ailie Busby's bright, colorful board books passed inspection by a budding literary critic: my 2 1/2-year-old grandson. No other proof of their quality is necessary.
