His Majesty: The Carson Brothers Saga

Synopsis

God. Family. Music. That's the motto that the Carson men live by. Five brothers with one common goal: to lift their voices in the Lord's ministry. A shining example of the strength of brotherhood, their bond is solid and their faith is strong...but right below the surface of righteousness and glory lies a sinful darkness, one that is ready and waiting to take each man under if they refuse to walk in their truth. Old flames grow into blazing infernos as each brother learns that the heart will always crave the most forbidden fruit. Ace is the oldest brother, the responsible soul, and the glue that holds together the musical genius that is their group "Majesty. Ace shines in the face of challenge as he puts in the work to send Majesty to the top of the gospel charts, but he soon faces his greatest test when he's forced to face the demons of his own sin. Just as Ace is succumbing to his own untruths, younger brother Mason seizes the opportunity to prove that he's the one with the billion-dollar plan for their quintet "and it would all be simple if Mason wasn't swimming in his own pool of deception, one so shocking that it will test their faith and reveal whether or not brotherly love truly is unconditional. Without fail, this family prays together, but once their indiscretions are brought to light, there's no guarantee they'll be able to stay together in the explosive aftermath. Watch these brothers go toe to toe, and find out just how far Ace is willing to go to lose himself in the first installment of this ground-breaking saga.

Customer Reviews

WOW!!!!!! This book was in one word AMAZING!!!! Ms. Harris and Ms. Tysha Jordin took the printed word and elevated it to another level. The story is centered around 4 brothers, Ace, Mason, Lance, Jax, their parents, Ace's wife Gianni, Paris, and Lisa. When the story opens we find Ace in a very compromising position with his student, Paris. We are quickly able to surmise that the two of them have been having an ongoing affair for the past 6 months and while Ace is saying that he wants to end things with his wife and he is fully in love with Paris, his actions say something entirely different (at least in Paris' mind). We also learn that something isn't quite "clean in the milk (as us southerners say when things are a little fishy)" LOL, when it comes to Paris aka Peyton. The brothers were brought up in a very religious home where the church and Christianity are full-fledged characters in the story. Their father is a no-nonsense type of man who believes certain things and has endeavored to instill these same principles and beliefs in his boys. For the most part this seems to have worked well and on the surface all of the brothers are seemingly in good places in their lives. As the story unfolds however, we begin to see the cracks in their foundation and their not so "christian-like" behavior. As I stated previously Ace is having an affair, Lance has several children by different women, Mason is secretly lusting after his brother's wife and from what I can tell has been doing so for years and we don't know what's up with Jax yet but I'm sure there will be more to him in part 2.
