Customer Reviews

First of all, I recommend this book to every married couple including non Christians. God is just waiting for you to let him in. I have been married for almost 10 years now, and it feels like I have been going through trial and trial after TRIAL. I hit rock bottom after I had a miscarriage at 17.5 weeks pregnant. Anyone who has ever had a miscarriage understands what that does to your body and soul. I never blamed God for my miscarriage, but I didn't seek his comfort either. I was going to doctor appointment after doctor appointment because I felt something was wrong. Two years later,

as all my doctors have assured me it is depression and anxiety. I know that God has a purpose for every thing that occurs in our life. However, many of us assume that God is responsible for everything. We were given free will, and as soon as sin entered the world, destruction would take place. Jesus says that life here on Earth would not be easy, and I agree with him 100%. God does not want harm to come to any of his sons and/or daughters. God loves us so much that he gave his only begotten son, Jesus Christ, over to man to be crucified, so that we may enter Heaven. Jesus Christ is our redeemer because without him none of us would enter Heaven except the children. We are all sinners whether we accept it or not. Every marriage has weaknesses and strengths. Elizabeth Collins and her husband Nathan go on a week retreat at the Inn at the Lake. This retreat is Elizabeth's final attempt to reconcile her marriage. They both have strayed from their marriage, Elizabeth emotionally, and Nathan physically. However, when they get there Nathan is more interested in the game that is on the television than he is about spending time with his wife.
