Trifecta Profits: How To Make 3X More Than The Average Real Estate Investor Makes On Every Deal

Synopsis

Real estate investors usually get paid one time on a deal... and they leave a TON of money on the table. They don't realize that they're robbing themselves and missing out on a closely guarded cash-generating secret enjoyed by elite real estate investors who get paid up to three times on every deal. Stop robbing yourself. Enhance your real estate investing business by getting paid up to three times on every deal. Trifecta Profits will teach you..... The one way real estate investors usually expect to be paid (most investors are happy to be paid just once).... The shocking way The DM gets paid up to 3 times on every deal... including one part of the deal that most investors never think about getting paid on!... How getting paid up to 3 times on a deal can avoid one of the costliest mistakes that most investors make.... A really simple secret that can instantly boost your real estate investing profits faster than you ever thought possible.... Real case studies that show you how to get paid 3 times -- take the principles learned here and apply them in your own market.... Instant strategies that you can start using right away in your own business. Trifecta Profits will blow away all your preconceived notions about how to get paid on a deal. Peek over The DM's shoulder as he walks through real case studies, and then apply those strategies in your own real estate investing business to get paid up to 3 times on every deal.

Customer Reviews

It's not that simple. This book is a blue print for failure. The author failed to reflect the real costs and problems associated with this type of real estate deal. It's sure not a business for wimps... and for people who go on vacation for months at time! I've learned that a day off, or even a measly hour -- can be way too long. POOF and the profits are all gone. But what would I know after only 40 years in the real estate business???

Mark Evans is the real deal! He always has great information to share and is always looking to give back being that he has an abundance mindset. I have met him personally and have found success in implementing his advice. For anyone looking to think outside the box with their real estate investing in finding new ways to fund deals and achieve greater profits this book is a must-have!!

Mark's books are always informative. I recommend them to anyone in real estate. I've known Mark for several years now and been involved in several real estate transactions with him. Needless to say if you follow his recipes and really do the work you can be as successful as he is.

Mark is an incredible investor, teacher, inspiration and an overall great guy. This book gives a new twist to real estate investing that I never thought was possible. I'm taking action on this information right away and I know it will have a massive impact on my business. Thanks again Mark!
