Mackenzie's Pleasure (The Mackenzie Family Series)

Synopsis

Navy SEAL Zane Mackenzie was a pro. No mission had ever gotten the better of him • until now. Saving the ambassador's gorgeous daughter, Barrie Lovejoy, had been textbook • except for their desperate night of passion. And though his job as a soldier had ended with her freedom, his duties as a husband had only just begun. For he would sooner die than let the enemy harm the mother of his child.

Customer Reviews

Having read SARAH'S CHILD, I was not too impressed. Having read DUNCAN'S BRIDE worked much better, but while it was a good read, it was not an outstanding read. Several review sites recommended MACKENZIE'S MOUNTAIN, but I never bothered to find a copy. In December 2005, I stumbled across this book (MACKENZIE'S PLEASURE), which is the story of Zane Mackenzie, the youngest son of Wolf Mackenzie and his wife Mary Elizabeth (hero and heroine of Mackenzie's Mountain). I have mixed feelings about SEAL-themed books - while I have loved Brockmann's series, I somehow prefer reading about firemen to reading about SEALS. Give this book a chance, if you share my hesitations. Zane Mackenzie is called upon to execute a mission to rescue an ambassador's kidnapped daughter Barrie Lovejoy out of Libya. The first third of the book is about how the rescue takes place and with what consequences. In the second third, Zane and Barrie are separated by circumstances until they manage to find each other. Since there is a mystery and a bit of romantic suspense to the plot, I will not go further with the plot summary. It is probably sufficient

to say that Barrie's kidnapping and rescue is somewhat more complicated than either Zane or Barrie realized. The book begins with Wolf Mackenzie worrying about his children, from Joe down to his adopted son Chance and his youngest son Zane. Thus, Linda Howard provides the new reader with sufficient background to Zane, to understand what kind of family he comes from and what kind of person he is likely to be. The book then moves to a botched Naval exercise which leaves Zane short of two men. It is at this point that he is asked to rescue the Ambassador's daughter.
