**Funny Chinese Picture Book for Children Ages 3-9** This book is designed for kids/beginners who are learning Chinese as a foreign language. **Gifts for my Mother**™ is an easy reader Chinese book. This is a humorous and wonderful book in Chinese about children across the world, who wish to help their mothers. This sweet Chinese picture book has hilarious illustrations and encourages children to help their mothers. Spoken from a child's perspective, this beautifully illustrated bilingual book in Chinese highlights the many things mothers do for their family, everyday. Children across the world offer to help their mothers with good intentions. But they sometimes end up with disastrous or hilarious results! Still, it's the thought of helping that counts. Some of the pictures are humorous because children sometimes cause more mess when they help ... Beginning readers will be able to read this Chinese book by themselves. Don't be surprised if they ask to help out in the house! A must have in every mother's collection of books. Happy Mother's Day, every day!! The simple sentences in Chinese in each illustrated page will give your child the confidence to finish reading the entire book by himself/herself! Introduce your children to new Chinese words insects, bird, dragon fly, bee, hungry, red fruits, butterfly etc. Bright full length illustrations are on every page along with simple sentences in both English and Chinese. Read this very interesting Chinese book to your children. This adorable Chinese book might just inspire children to appreciate their mothers and offer to help out more at home. Do remind your children that they could help out at home too!

## Customer Reviews

it is not only useful for the vocabulary, but it is funny and my 5 years old daughter loved it, as all Sujatha's books in Chinese. they are structured very well, with nice photos for kids and easy wording. one thing i would like to see more in her books is the final test/game, where the kid has to link the image to the word... that is very well concluding the new vocabulary.
