Biblical Greek Survival Kit

Synopsis

Equip your students for success in first year Greek, and save them money! Assign the Biblical Greek Survival Kit as a supplemental text for your course and give your students the tools they need. This value-priced kit (\$8 less than items purchased separately) includes:

- Basics of Biblical Greek Vocabulary Cards – this set contains all words occurring in the Greek New Testament more than 15 times as well as all vocabulary from the book of 1 John.
- Basics of Biblical Greek Vocabulary Audio CD (also in mp3 format) – with all the words contained in Basics of Biblical Greek, in chapter order.
- Zondervan Get an A! Study Guides: Biblical Greek – all the noun and verb paradigms they need to know all in one handy place.

Customer Reviews

This Biblical Greek Survival Kit is intended for use with William Mounce's "Basics of Biblical Greek" (BBG) textbook and workbook for first-year Koine Greek. The Kit includes 1000 vocabulary flash cards, an audio CD of 35 chapters (about 320 words) of vocabulary from the "Basics of Biblical Greek" textbook, and a laminated Study Guide of basic Koine Greek grammar. The Study Guide has 3 holes punched in it for insertion into a 3-ring binder. It lists the alphabet, definite articles, noun inflections and rules, prepositions, pronouns, adjectives, and a lot of verb charts. Some of it could have been labeled better, but it's a handy "cheat sheet" if you're stumped while translating or for a quick review before a test. The vocabulary flash cards come in a cardboard box. They are 2 x 3 1/2 inches in size, so are meant to be portable. They are not laminated. They're printed on a fairly flimsy white stock, like that of a typical 3 x 5 card. But the content of the cards is

well-designed. The Greek word is printed clearly on the front of each card in black ink. This includes the lexical form, genitive, and definite article for nouns. On the back of each card, in gray, are the definition and principle parts of verbs, as well as the BBG chapter number if there is one, the frequency of occurrence in the New Testament, and the card number (1-1000). This makes it easy to put the cards back in order or to review a particular chapter. BBG only contains 320 vocabulary words. The additional 680 cards in this set are words that occur 10 or more times in the New Testament. The audio CD offers both MP3 and M4B (MP4) formats. They go into Audiobooks in your music player, and each word is a separate file.
