Dragonquest (Dragonriders Of Pern Series)

Synopsis

Another Turn, and the deadly silver Threads began falling again. So the bold dragonriders took to the air once more and their magnificent flying dragons swirled and swooped, belching flames that destroyed the shimmering strands before they reach the ground. But F'lar knew he had to find a better way to protect his beloved Pern, and he had to find it before the rebellious Oldtimers could breed anymore dissent... before his brother F'nor would be foolhardy enough to launch another suicide mission... and before those dratted fire-lizards could stir up any more trouble!

Customer Reviews

Dragonquest begins seven Turns after Dragonflight and the reader is immediately plunged back into the complex world of Pern. F'lar and Lessa are still Weyrleaders at Benden and are struggling to unite all of Pern to fight the deadly Thread. It is true that the 5 weyrs who jumped through time to come forward to aid Benden were there in Pern's time of need, but they are set in their ways and not willing to change. F'lar has heard too many complaints from Holds and Crafhalls under the protection of the Oldtimers' Weyrs to disregard them any longer. When the Weyrleaders even go so far as to keep other Weyrs uninformed of irregular Threadfall, F'lar has no choice but to take action. He immediately starts looking for alternative ways of fighting Thread and easing relations between the dragonmen and the rest of the Pernese, but it is an uphill battle all the way. Meantime, there are other problems brewing inside the Weyrs themselves. Kylara, Weyrwoman of the Southern Weyr, has caused much dissent and no end of headaches for the Weyrleaders. Brekke, a new queen, is

desperately afraid of what will happen when her queen rises to mate. F'nor is trying to support his half-brother F'lar in all of his endeavors, but he has many problems of his own. Outside of the Werys, the Lord Holders cannot understand why the dragonmen simply do not go to the Red Star and kill the Thread there, before it falls on Pern. Emotions are running high and F'lar and Lessa have their hands full trying to keep everything tied together, but will they be able to unite Pern? This is the second book in The Dragonriders of Pern book and is just as good as the first one in the series.
