Customer Reviews

This is my first time reading anything by Nikki Smith. It will not be my last time. This was a beautiful love story. Stepping out on faith Ty and Michael were the perfect couple. And I'm so glad that she took a chance on giving Michael a chance to love her and her son. Well written.

It made an interesting read and beautiful story.

I'll definitely buy her other books because this one was very good, just a little short. It had a great flow and storyline.

I love Ty and Kee as well as the Dr. perfect love story
