Synopsis

*** FREE on Kindle Unlimited *** Esther Graber has been living in New York for four years when she ends up in the hospital. Her parents come to take her home, and she goes along meekly, seeking safety and shelter from the harsh city. However, once she is back home, she doesn't feel she deserves a normal life. Her life has changed, and she is a different person, one whom no man will want for a wife.... Just as she's coming to terms with her bleak future, she meets David Byler. David has no interest in marriage, or rather he didn't until he ran into Essie. Drawn to her in part because she is so very different from all the girls in town, David does his best to pursue her, only to be turned down time and time again. He decides to step back and let God's will be done. Essie feels her heart longing to be with David, but what will happen when he finds out the terrible secret that she's been hiding from everyone? She can't let herself fall in love with him because he's sure to reject her, but how can she pretend to just be friends? Return once more to Hart County and spend time with two more people who are trying to find out what God has in store for them.
