This weeks Books Kid delivers a great story once again. This book features a young magma cube named Molten. As kids age many of them want to grow up fast and experience the world for themselves instead of hearing about things and assuming them to be true. Molten is no different and sets out on his own into the great unknown. With him basically flying by the seat of his pants, be prepared for lots of action and adventure.

Great price for new condition. The kiddos love it! Doesn't break the bank, comparing to large retail stores, keeps the kiddos wanting to read more!
